

RETURN & SERVICE POLICY

Please let us know within 5 business days of receiving any service if there are any challenges. After 5 days we cannot guarantee service adjustments. We also cannot guarantee a service if it has been altered by anyone other than a VICI Beauty School staff member.

If you are not satisfied with your VICI Beauty School purchase, simply return it within 30 days. With proof of purchase (either a receipt or tracking in our computer system), you will receive an even exchange or full refund based on your original method of payment. Purchases by check will be refunded 14 days after the purchase date in the form of a check, mailed from our corporate office.

Refunds are not an option after 30 days, but with proof of purchase and at least one half of the product, we will gladly perform an even exchange up to 60 days.

All products must have been purchased from the VICI location to which you are returning and/or exchanging. We are unable to exchange or refund products from other VICI locations, Aveda salons or stores.

Product returns and/or exchanges cannot be applied to services.

There will be a \$30 charge for all returned checks.

CANCELLATION POLICY

As a courtesy to other guests, we ask that you please provide a 24 hour notice of cancellation.

WAXING SERVICES

Please allow 4-6 weeks of outgrowth prior to waxing services. Waxing may cause redness, swelling, sensitivity, irritation, and/or skin loss. It is recommended that you not tan within 24 hours prior to or after a wax service, or wear makeup for 1-2 hours after any facial waxing. If you have used any of the following topical products within 24 hours prior to the service we will not be able to proceed: Accutane, Retin-A, Alpha-Beta Hydroxy or a chemical peel.

SKIN & NAIL SERVICES

Please refrain from shaving 24 hours prior to any body treatment or pedicure service. Exfoliations performed in these services may be irritating to freshly shaven skin.

FOR COLOR TREATED HAIR

Every color performed by our students is as unique as you. We ask that you'd refer to their expertise in caring for your unique combination of hair color, type and texture. However, as a general rule, we recommend refraining from shampooing your hair for 48 hours after any color service. We also recommend using cool to lukewarm for your first wash.

FOR CHEMICALLY TREATED HAIR

We recommend refraining from shampooing or wetting your hair for at least 72 hours after any chemical service. This includes smoothing, relaxing, perming and/or straightening services. If this is a new service for you and you would like additional styling tips and tricks to help with your new "do", please let us know. Any one of our VICI staff would be happy to assist you.

Never miss a thing with the VICI app!
